

ECVO/ACVO board certified or residency trained ophthalmologist

DEAR COLLEAGUES,

we are offering a full clinical position for an ECVO/ACVO board certified or residency trained ophthalmologist at AniCura -Tierärztliche Spezialisten Hamburg/Germany. The ophthalmology team currently comprises an ECVO diplomate and an ECVO registered resident, a part-time ophthalmologist with a national certificate as well as a team of three veterinary nurses.

We are an established, progressive, state of the art referral practice for veterinary ophthalmology, dermatology and surgery. We receive referrals from over 450 local practices throughout Germany and bordering European countries, which provides us with a diverse and interesting caseload.

ANICURA IS A FAMILY OF WELL-KNOWN ANIMAL HOSPITALS AND CLINICS SPECIALISED IN VETERINARY CARE FOR COMPANION ANIMALS ESTABLISHED IN 2011 AND FIRST MERGER OF COMPANION ANIMAL HOSPITALS IN THE NORDIC REGION. IT COVERS MORE THAN 300 CLINICS IN EUROPE.

Responsibilities include providing excellent clinical care for our patients, close communication with owners and referring veterinary surgeons, maintaining and growing the referral caseload, providing continuing professional education for vets and nurses, interacting within the Anicura family in Europe and thereby shaping the future of high-quality veterinary medicine.

Anicura offers annual awards for clinical research projects. Residency programs, multi-center studies and interdisciplinary collaboration are strongly supported.

Full and part time applications will be considered.
